### ***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is the inclusion of the blue LED covered by a first resin and a red LED covered by a second resin, where the light emitted from each LED is mixed in the atmosphere surrounding the resins, which is not found singularly or in combination in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
